HOW I PREPARED LEMONADE

* My father asked me to prepare lemonade for him. I went to the kitchen and put some water in a glass. Then I added some sugar into water and dissolved it. After that I cut a lemon and squeezed it into the water. In the end, I added some ice-cubes to it. Lemonade was ready to be served. I served it to my father. My father was very happy.

ESSAY: A MORNING WALK

Walking is a good exercise. We should
there fore, always go for a walk. This
keep us healthy. I go out for a walk
with my father. We go before sunrise.
There is no noise. It is cool and fresh. I
enjoy myself in the open fields. I hear
the chirping of birds. I do my exercises
there. Soon the Sun rises in the east
and we return home. I feel fresh after
the morning walk.
