# Fox Head

Learn to make paper-fox.

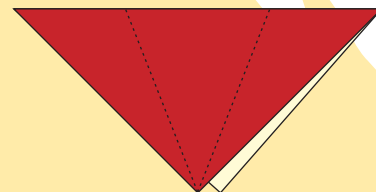

Lets fold the paper step wise. Then draw eyes and mouth to make a fox.

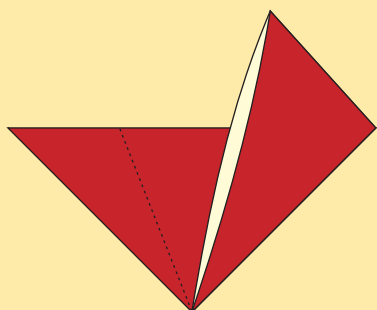

1. It's very important to start it with a square piece of paper.

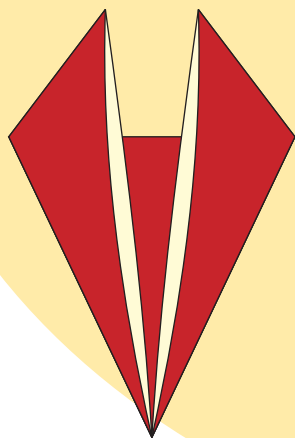

2. Fold as shown and unfold.

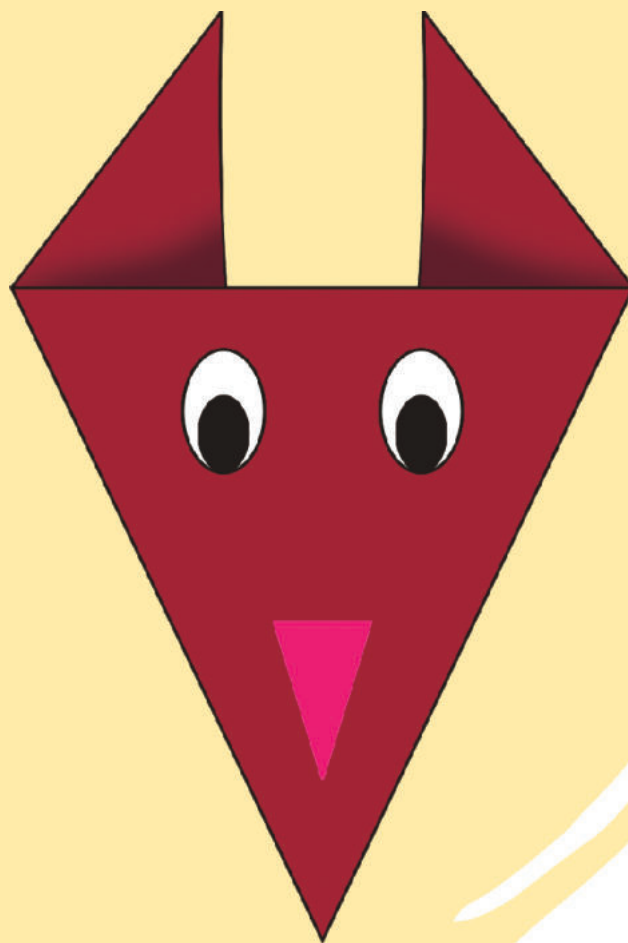

3. Make a centre crease and unfold.

4. Fold the right and left corners upward to form fox's raised ears...

5. ...as shown and turn it back.

After completing all steps, you will get a fox head like this.

# Puppy

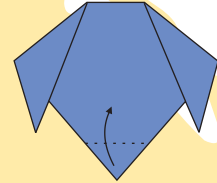

Make a paper puppy by folding the paper stepwise.  
Then make it colourful with different colours.

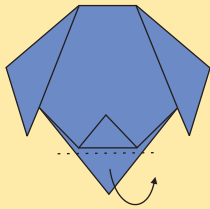

1. Use quarter sheet of a paper.  
Make a diagonal crease and fold.

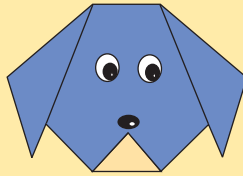

2. Fold in the direction of arrows  
as shown to form the dog's ears.

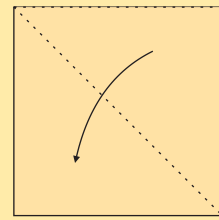

3. Fold the lower end of the front  
layer upwards along the dotted line.

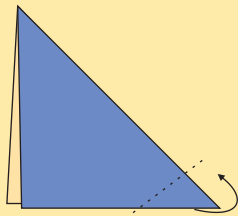

4. Fold the lower end of the back layer  
backwards along the dotted line.

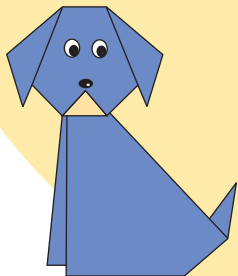

5. Draw eyes and nose.

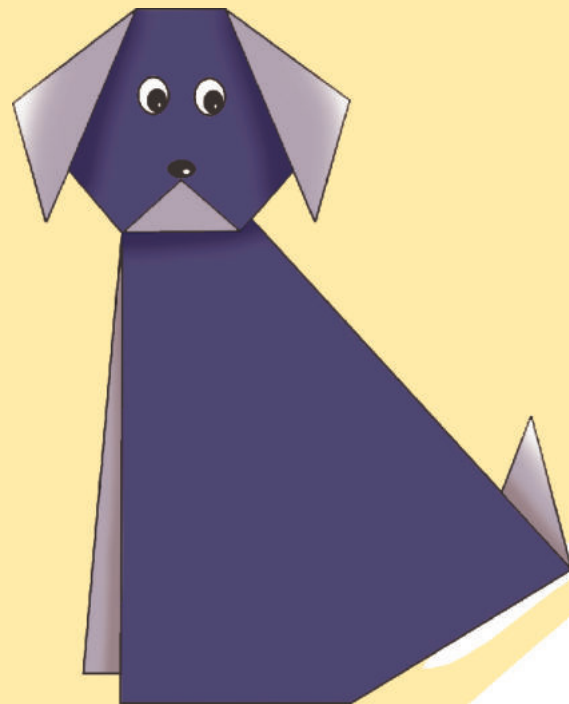

6. Use another sheet. Make the  
centre crease and fold.

7. Turn the lower right  
corner backward...

8 ... and fix puppy's head with this  
base to get the puppy ready.

After completing all steps, you will get a puppy like this.

# House

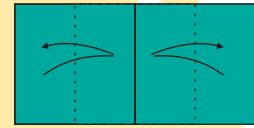

Make a beautiful house with colour paper.  
Follow the steps given below and colour it with different colours.

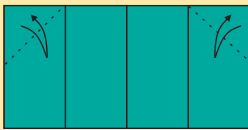

1. Fold in half along the dotted line.

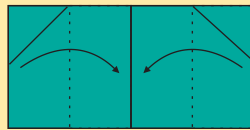

2. Fold in half and unfold to get the centre crease.

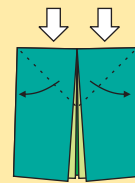

3. Fold the right and the left sides to the centre line and unfold.

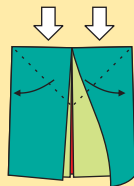

4. Fold the top corners forward and backward and unfold.

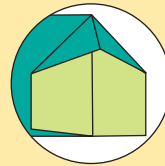

5. Fold inward along the dotted lines.

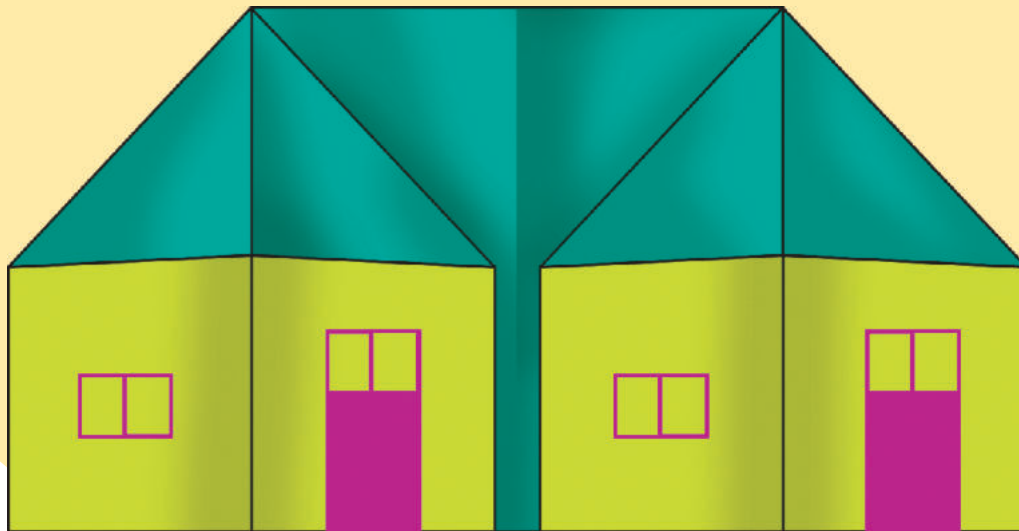

6. Open the upper layers to the left and right as shown.

7. It opens out into triangles when flattened...

8. Press the upper edges.

After completing all steps, you will get a house like this.
