# Crow

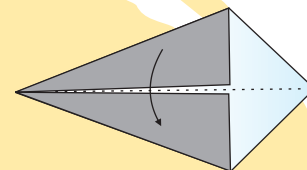

Let's learn to make a paper crow. Fold the paper stepwise and when it is done, colour this crow with black colour.

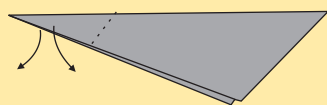

1. Make a centre crease and unfold.

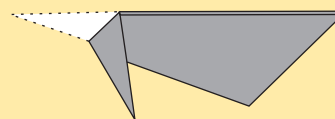

2. Fold the top and the bottom corners up to the centre crease.

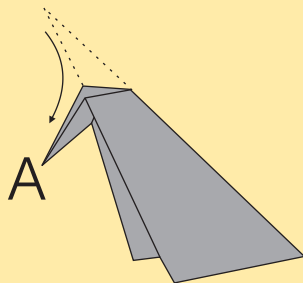

3. Fold the form in half bringing the top corner to meet the bottom.

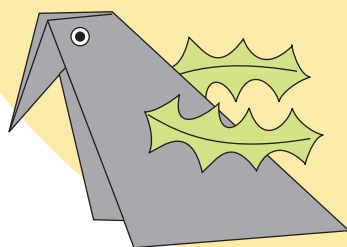

4. Now fold backward and forward along the dotted line as shown.

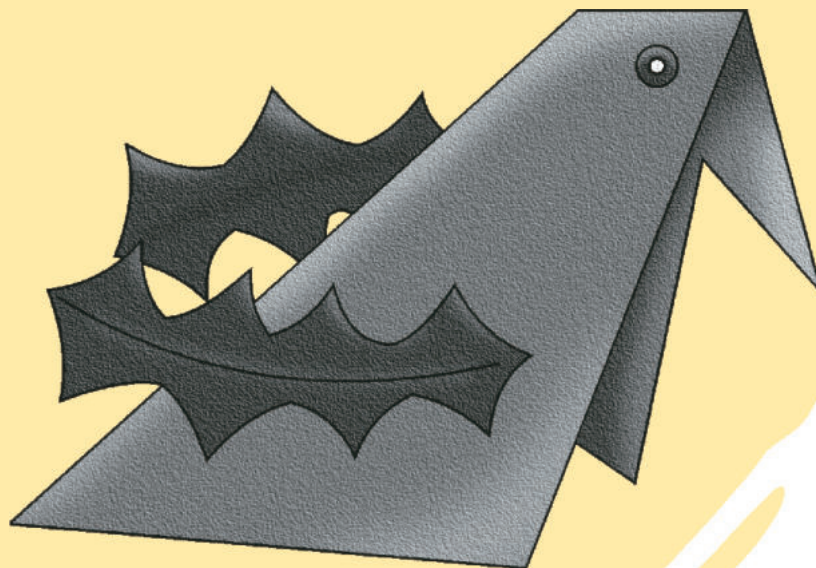

5. ... like this and unfold it.

6. Open up the fold slightly and thrust the point 'A' inside to make the beak of the crow.

7. Paste paper feathers to it, draw eyes and it's ready to fly.

After completing all steps, you will get a crow like this.
