Write the short paragraph on republic day celebration.

Republic day of India is celebrated annually on 26th of January since 1950, when our constitution came into effect. A grand ceremonial parade of Indian army takes place to Rajpath, New Delhi, to honour the Indian flag. Before it, a floral wreath tribute event at Amar Jawan Jyoti takes place by the Prime Minister of India, to pay honour to martyred soldiers at the India Gate. This day is declared a national holiday.

Read and write the story in cursive writing.

Geppetto was a carpenter who made wooden toys for the children of his village. One day he carved a little boy out of wood and called him 'Pinocchio'. That night, a good fairy granted Pinocchio the gift of life. When Geppetto gave money to Pinocchio for buying books for school, he refused and spent all the money to buy candy. This made Geppetto upset.

Pinocchio started telling lies which made his nose grew longer and longer. He began to cry as he cannot do any work. He promised the fairy not to tell a lie, so she forgave Pinocchio. Geppetto and Pinocchio lived together happily.

Read and write the story in your best cursive writing.

Once there lived a cunning master, who was very cruel towards his workers. He used to make them work from dawn to dusk and in return pay few bugs. One day a worker named Mohan found a bottle in the field. He opened the cork of the bottle and to his surprise a huge genie came out of the bottle. The genie greeted Mohan as his master. Mohan ordered genie to do various tasks to which the genie responded with his condition that he will serve Mohan till the time Mohan offers him some chores otherwise he will eat up Mohan. Mohan agreed to this and the genie was busy in completing the order.

Read and write the Jungle Book story.

15

Once Sherekhan, the tiger attacked a camp and killed all the humans, luckily a child escaped sherekhan and was raised by a wolf family in the jungle. Sherekhan demanded the child as his quarry, but mother wolf refused. They kept the child's name as 'Mowgli'. Baloo, the bear becomes Mowgli's teacher and instructed him in learning languages of animals. When Sherekhan attacked Mowgli's guardians and killed 'Akela' the leader of wolves, then Bagheera, the panther, requested Mowgli to get fire from the village and attack his enemy. One year, during severe drought in the jungle, the elephant narrated the story of how Sherekhan killed humans for his choice then everyone was against the Sherekhan and asked Mowgli to take revenge. Sherekhan was killed and Mowgli was adopted by Messua, a woman who lost her son in Mowgli's native village. Mowgli becomes a watcher of the village herds and lived happily.

Read about transformers story and write it in your cursive writing.

Transformers is a story of a teenager Sam Witwicky who gets caught up in a war between the heroic Autobots and the villainous Deceptions, two factions of alien robots who can disguise themselves by transforming into everyday machinery, primarily vehicles. The autobots intend to use the Allspark, the object that created their robotic race, in an attempt to rebuild cybertron and end the war while the deceptions desire control of the Allspark with the intention of using it to build an army by giving life to the machines of Earth.

It all started several thousand years ago, when the planet Cybertron was consumed by a civil war, in which the Autobots were led by optimus prime and the decepticons were led by Megatron. Later a long battle was fought on Earth in which optimus extinguishes the spark of Megatron with the help of Sam. Autobots secretly hide out on Earth while deception starscream escaped.

The world is full of insects. Let's enter their world and find some facts about them.

There are more than 12,000 species of ants all over the world. An Ant can lift 20 times its own body weight. Ant don't have Ears. Queen Ants have wings. Ants don't have lungs.

`	//	
	Nere	AH

There are about 20,000 different species of bees in the world. Bees live in colonies that contain the queen bee, the worker bee and the drone. Bees are of all colour except the colour red.

There are over 35,000 species of spiders in the world. The largest spider is a species of tarantula having a leg span of over 11 inches. Spiders have self oiling legs.

There are more than 1,20,000 species of flies worldwide. A female housefly can lay up to 600 eggs in her short lifetime. The housefly tastes with its feet.
